Dear Mr Duffield,

I refer to your notice to employees of 17.11.09.

I do not agree to the change in my contract of employment which you seek in relation to my annual leave. I am unaware of anything discriminatory, contrary to the equal Pay Act or otherwise unlawful about my annual leave entitlement. There is therefore no lawful basis known to me which would entitle you to vary my contract in the manner indicated in your letter.

Please confirm that my contractual entitlement will remain undisturbed.

Yours sincerely,
